Engineered exclusively for hotels searching for the most effective way to protect pillows and guests during the Covid-19 pandemic.

1. Pillow protection with anti-microbial treatment
2. A virus barrier to prevent viruses from contaminating the pillow.
3. A zippered protector with a vented end which allows air to escape to avoid ballooning:
 - a. Enables faster pillow insertion
 - b. Allows uncompressed pillow fill to provide guest cushioning
 - c. Allows for warmed air to be expressed
4. Superior breathable fabric offers coolest sleep.
5. Extra slick fabric makes for fastest pillow case installation and removal.

One Depth Fits All!

No more purchasing of multiple encasement depths.

Most Secure!

Our Zip-N-Click zipper closure is the safest and most secure zipper security device available.

The CleanRest PRO mattress encasement is designed with our patented MicronOne waterproof fabric, recently tested and confirmed to block virus and bacteria. The sidewalls use strong EZ-Fit stretch sidewalls for fast installation, double stitching in the seams and the zipper tape for extra strength, and our Zip-N-Click zipper locking device to block bed bugs and to prevent against accidental openings. PRO is backed by our 10-Year warranty to ensure this product is the first and last you'll need for the bed you're defending.

CleanBrands The Makers of CleanRest Bedding Protection Products

Features

- Zippered encasement
- CDC Level 4 Virus Barrier
- 10-Year commercial warranty
- Waterproof sleep surface
- Hyper Breathable (140% more than other brands)
- Stretchy, tear-resistant sidewalls for easy installation and snug fit
- 100% bed bug bite, enter and escape proof
- Blocks allergens and dust mites

CLEAN
IS THE NEW GREEN

T-Y GROUP & HARBOR LINEN

A BED BATH & BEYOND COMPANY

CleanRest **BUG TECH** is everything you need to encase a mattress with a current bed bug infestation or defend a mattress from future infestation for two years. The sleep surface is designed with our patented MicronOne waterproof fabric, recently tested and confirmed to block virus and bacteria. The sidewalls use lightweight EZ-Fit stretch sidewalls for fast installation, double stitching in the seams and the zipper tape for extra strength, and our Zip-N-Click zipper locking device to block bed bugs and to prevent against accidental openings. BUG TECH is the proper choice for bed owners when a more affordable encasement is preferred over CleanRest PRO which is designed to last 10 years.

CleanBrands The Makers of CleanRest Bedding Protection Products

Features

- Zippered encasement
- 2-Year commercial warranty

The CleanRest PLATINUM is a 6-sided fully encasing mattress pad with a waterproof quilted replaceable top for easy laundering. CleanRest PLATINUM will replace up to 3 products currently used to protect your bedding: your mattress encasement, waterproof mattress protector, and your mattress pad. Along with improving your guests sleep experience, this product is designed to lower the cost of utility bedding by reducing the number of products you must inventory to satisfy the demands of bed bug protection, waterproofing, and additional comfort.
