TRAVEL DEMAND INDEX

Orlando and
5 Other Inland Areas

THE TRAVEL DEMAND INDEX makes it easy to plan the best times to travel. For example, if you want to visit Orlando, the best prices and availability will be during weeks 35 through 38. During weeks 13, 14, 26, 51, and 52, you can expect prices to be higher than average and availabilities to be more limited.

Each resort listing includes the applicable Travel Demand Index chart number.
