OFFICIAL RULES OF ELIGIBILITY

1. To be eligible for participation, you must be a qualified salesperson at an Interval International, Inc. ("Interval") member resort in good standing that is located in the Asia/Pacific region. Interval reserves the right to reject any member resort from participating in the contest if the resort is not in good standing.
2. Resort must be in active sales. To be eligible for participation, a member resort must submit a minimum of 150 new Interval memberships per year.
3. The resort manager/developer of each eligible, participating resort is responsible for nominating one sales representative per quarter to receive the Winners Circle award. The nominee must be the salesperson who generated the most Interval International memberships in that quarter. The annual nominee must be the salesperson who generated the most Interval International memberships in that year.
4. The resort manager/developer must complete and submit a Winners Circle nomination form by the deadline each quarter/year, which is determined by Interval at the beginning of each calendar year. If a form is not received by the deadline date, the resort and its salespersons will be ineligible for that quarter/year.
5. Interval reserves the right to make changes in deadline dates, eligibility periods, and prize arrangements.
6. Prizes are nontransferable. Winners must still be employed by the resort that nominated them for the award at the time the award is given, or the prize will be forfeited. No substitutions will be permitted.
7. By accepting the nomination/award, all persons agree to be bound by the Official Rules of Eligibility and further agree to the use of their name, photograph, or likeness for advertising and promotional purposes without additional compensation.
